**Retreat Course** – With a masterful renovation in 2001 by Davis Love III and his brother, Mark, to appeal to a broad range of golfers, the Retreat Course is challenging, yet very playable and interesting. An additional 300 yards of length and wider fairways give Retreat an open feeling with a lower profile. Defined by Georgia pines, native oaks and bunkers, the course still allows players to swing freely for the target. The course has several unusually shaped holes with dog legs left and right, and large greens with tricky slopes and undulation, resulting in a fun, shot-making course.

**Cost: \$300 per player includes green fees, cart fees and box lunch.**  
**Transportation coordinated by carpools.**

**Kayaking with Shore Lunch** – Paddle through Sea Island's marsh area and tidal grasslands on a private guided tour with the residential Naturalist. *Waterproof footwear required.*

**Cost: \$190, including tour, transportation and box lunch.**

**Sea Island Tour** – Enjoy a four-hour tour that focuses on the history of St. Simon's

Island, beginning with a ride down Sea Island Drive, considered one of the most beautiful thoroughfares in America. The tour starts with lunch at a local restaurant and visits historical landmarks including Fort Frederica National Park, Wesley Memorial Garden, Christ Church, Retreat Plantation and the Museum of Coastal History and Lighthouse.

**Cost: \$200 per person includes lunch, tour and transportation.**
